Rees Hogue

Professional Summary

Experienced data scientist with a passion for leveraging machine learning and artificial intelligence to drive actionable insights from complex datasets. Skilled in Python, TensorFlow, PyTorch, and scikit-learn for developing and deploying predictive models. Additionally, proficient in video editing software and techniques, with a keen eye for detail and creativity.

Contact Information

Email: reeshogue22@gmail.com
Location: Jonesboro, AR
Website: reeshogue22.github.io

Skills

Data Science Frameworks
•Pytorch
•TensorFlow
•Scikit-learn
•NumPy
•Pandas
•Matplotlib

Web Development
•HTML
•CSS

Programming Languages
•Go
•Python
•JavaScript
•Java
•C++
•SQL

Machine Learning
•Neural Networks (NNs)
•Reinforcement Learning
•Language Models (LLMs)

Other
•Documents
•Spreadsheets
•Presentations
•Video Editing
•Communication Skills
